Re: *"A Case Study of the Premed Experiences of Black Male Undergraduate Students"*  
HUIRB Approval Ref#: 20210913-SPE-SOE-SAN-1

Dear Ms. Sandoval:

This is to advise that the referenced research proposal qualifies for review by Expedited procedures under 45 CFR 46.110(d). The University's Institutional Review Board (IRB) governing the use of human subjects as research subjects has reviewed your IRB application and approval is granted to conduct your study as described in your application. Please note that any significant deviation from the research design presented in your application must be submitted to the IRB for review and approval prior to implementation.

On behalf of the IRB Committee, I wish you success in your research.

Sincerely,

Sofia Kakoulidis  
Vice Provost for Research and Sponsored Programs  
and Administrator of the Hofstra University Human Subjects Committee (IRB)
